NOTE:

- Engineering students can select any subjects from the list mentioned above.
- MBA students can select any subjects from the list mentioned above except course number 15, 16 and 25. (As these two courses are already available in regular academic structure).
- 2. A course other than mentioned above in the list will not be considered.

- 3. Students need to solve assignments given by platform and also, give the final certification exam at allotted NPTEL exam center.
- 4. Final percentage of marks obtained by student (mentioned on NPTEL certificate) will be considered as an ISE marks of Liberal learning course.
 e.g. If student gains 72% for a particular NPTEL course, he or she will get 72 marks out of 100 in ISE of Liberal learning course.
- 5. If student fails in NPTEL certification course, he or she should reregister for the course in the next semester.
