1	auto_RC3	"Who Moved My Cheese?"	Spencer Johnson	- How we should deal with change in our life and work. - Change is the only thing which is constant and it will go to happen in your life whether you like it or not. It's better to be ready for that rather than getting an unexpected surprise in life /work.	⑥ Outcomes after book reading were shared during discussion 18 14/02/17
