ENTHUSE 2020

Department of Electrical Engineering of Rajarambapu Institute of Technology, organizes a State Level Technical Event “ENTHUSE” for aspirants and young minds from various engineering colleges. This event is organized every year with the objective to provide a platform for the students to showcase their talent with a competitive spirit. ENTHUSE 2020 event was one of the most successful amongst all the events organized in the Institute. This event was held on 2nd and 3rd March, 2020 under the guidance of HOD, Electrical Dr. V. N. Kalkhambkar, EESA Staff Advisor Asst. Prof. K. M. Nathgosavi and all teaching and non-teaching staff of Electrical Department. ENTHUSE 2020 was organised by the Electrical Engineering Student Association (EESA). The post of President for this event was handled by Mr. Shreyash Patil, Vice President Mr. Nikhil Palase, Secretary Mr. Yash Bhamare, Treasurer Mr. Rushikesh Kavade, and Ladies Representative Ms. Pragati Katkar.

For this event, we had near about 500 participants from various colleges in Shivaji University, Pune University and Solapur University. The different events included in the ENTHUSE was decided by Event coordinators keeping in mind the need and interest of the engineering students with little emphasis on the fun full event.

ENTHUSE 2020 was executed with eight events namely,

1. Paperica- Paper Presentation
2. Electrobuzz- Technical Aptitude
3. Circuit Explore- Electrical Circuit Design.
4. MATSIM- MATLAB Simulation
5. Picasa- Photography
6. Murder Mystery- Logical Quiz & Game
7. Carrom Clash- Sports Event
8. Blast & Hunt- Theme presentation

Paperica was focusing on one's skills in paper presentation. As far as Paper presentation event is concerned the registrations were done in advance as the paper scrutiny needed to be done. Electrobuzz is the new innovation of our department from third year. A rigorous competition was witnessed. Circuit Explore to provide opportunity to explore their knowledge in Electrical Engineering. MATSIM was a MATLAB Simulink based where student need to do simulation on software and show result. Picasa provided an opportunity to showcase Photography skill which is practised today universally with Smartphones. Murder Mystery is totally new logical game suggested by second year students. Carrom Clash was organised keeping in mind the interest of students in sport. Blast & Hunt is new innovation of our
